

## Wine cooler Metos TFW300-2F Frameless

The wine cabinet Metos TFW300-2F is designed for the aesthetically attractive display of wine bottles and for storing them at an appropriate temperature.

The wine cabinet Metos TFW300-2F has a net volume of 250 litres and holds 119 pcs 0.75 litre bottles. The cabinet has two individually adjustable modes with adjustable temperatures of + 5°C to + 10°C / + 10°C to + 18°C. Temperature control and display are located inside the unit. The fans provide a constant cold air circulation throughout the cabinet. The refrigerant is environmentally friendly R600a.

The wine cabinet has ten wooden shelves. LED illumination gives bright and even light and brings drinks to the fore. The light has a separate switch, so closing it does not turn off cabinet cooling. The interior liner of the appliance is black-painted. The equipment has a right-handed glass door and the handle is stainless steel. The door's handedness is interchangeable. Smooth surfaces, removable shelves and automatic defrosting make it easy to keep the device clean.

- right hinged glass door , handedness is interchangeable
- frameless door
- there is no lock on the door
- capacity 119 pices/750 ml bottles
- net volume is 250 litres
- two individually adjustable modes with adjustable temperatures of + 5° C to + 10°C / + 10°C to + 18°C
