

Barista Professional kit

Metos black

The right equipment not only gives a better result. It gives the right feeling and makes work more fun. A barista professional kit is a must for those who take coffee seriously. Nice clean design and quality in every detail.

Kit includes:

- Analog thermometer for jugs, coffee brewed between 88°C and 93°C, hot chocolate: 79°C to 82°C and steamed milk: 66°C to 77°C
- stainless steel milk jug
- ergonomic black tamper Ø58 mm, solid stainless steel base. Its flat base ensures an even tamp, and the large handle in aluminium fits easily in the palm for a comfortable and ergonomic grip.
- black tamper mat. Made from food-grade compound rubber, Crema Pro tamper mats protect your bench top while providing a sturdy base to tamp.
- brush 'Smart', handy for cleaning the showers and gaskets, black polyester bristles round Ø 0.80
- knock Bin
- cocoa shaker
