

# Detergent tablets

## ActiveGreen for Metos iCombi ovens

A detergent tablet intended for the fully automated cleaning process for the Metos iCombi combi ovens. The tablet prevents limescale from forming, thereby keeping the oven and steam formed in the oven purer, improving food quality and extending the life of the appliance.

- without sodium hydroxide
- designed for Metos iCombi oven models that have the iCareSystem
- bucket contains 150 packages
