

# Pizza oven Metos Mora P33HT

Metos Mora P3 ovens offer a high performance for any kitchen. Depth being only 750 mm it suits perfectly for a restaurant backline. Oven is 3 chamber model. Capacity 3 x 35 cm diameter pizzas at the time/ 45 pizzas per hour/chamber.

Metos Mora Pizza Ovens are delivered complete. The price includes a base with wheels and two pull-out shelves. On the upper shelf has a place for two GN 1/9 containers. The oven is equipped with a programmable weekly timer that allows you to start preheating in advance. All models also have a hood, with 100 mm excess air connection.

The ovens have a patented Turbo function, which automatically increases power if the baking temperature in the chamber drops due to heavy use. Mora Pizza Ovens have upward-opening hatches and a high oven chamber. The oven chambers have easily replaceable LED lights. Top, lower and front temperature are separately adjustable. The HT models are equipped with high-quality Biscotti Di Sorrento baking stones. The oven reaches a baking temperature of up to 500 °C, and is thus ideal for making all type of pizzas.
