

Glass door cooler Metos Maxiglass MG3/300RG, right-handed door

The Metos Maxiglass MG3/300RG glass door cooler is mainly designed to display bottled drinks and beverage containers in an aesthetically pleasing manner as well as the preservation of various drinks at a suitable temperature. Enhanced technology and unit components make the cooler more energy efficient and therefore more environmentally friendly without having to make any compromises in the appearance of the unit or its cooling capacity.

The height of glass door cooler Metos Maxiglass MG3/300RG is 1800 mm, which ensures high capacity of 300 litres and holds 310 0.33 l bottles. Effective and energy-efficient fans ensure the uniform and quick circulation of cold air in the entire cooler. Refrigerant R600a used is environmentally friendly. Cooler temperature can be adjusted between +2 °C...+18 °C (factory setting +6 °C). Temperature regulation and indicator are located on the exterior surface of the cooler. Right-handed glass door frame and kick plate are anthracite; the exterior of the unit is comprised of an anthracite and steel lining.

The Metos Maxiglass MG3/300RG glass door cooler has five adjustable flat-shelves. LED lighting provides bright and uniform lighting and temptingly accentuates the drinks. The lighting has a separate switch. When the lighting is switched off, the cooler will continue to be cooled.

Smooth surfaces and removable flat-shelves and shelf carriers simplify the cleaning of the unit. The cooler has rapid automated defrost function, featuring evaporation of defrost water. The door has a lock and can be opened easily,

handle along the length of the door.

- high model (height 1800...1825 mm)
- right-handed door
- capacity 310/0.33 l (Ø60 mm) bottles
- volume 300 litres
- the temperature can be regulated between +2°C...+18°C
- five adjustable flat-shelves
- door lock
- LED-lighting
- door frame and kick plate are anthracite, frame of anthracite and steel lining
- replaceable door seals
- automated defrost and defrost water evaporation
- electronic thermostat
- refrigerant R600a

SUPPLIED SET INCLUDES:

- five shelves

EXTRA ACCESSORIES (can be ordered separately):

- additional flat-shelves
- wine bottle shelf handle along the length of the door.

Glass door cooler Metos Maxiglass MG3/300RG, right-handed door

Product capacity	310x33 cl bottles, net 300 L
Item width mm	602
Item depth mm	530
Item height mm	1800/1825
Package volume	0.811
Unit of volume	m3
Package volume	0.811 m3
Package length	61
Package width	65
Package height	190
Package unit of dimension	cm
Package dimensions (LxWxH)	61x65x190 cm
Net weight	95
Net weight	95 kg
Gross weight	100
Package weight	100 kg
Unit of weight	kg
Connection power kW	0.245
Fuse Size A	6
Connection voltage V	230
Number of phases	1NPE
Frequency Hz	50
Protection rating (IP)	21
Type of electrical connection	Plug
Electrical conn. height mm	50
Type of the refrigerant	R600a
