

Dockable Loading Trolley In feed R-L for Metos GR-90

The dockable rolling cart replaces fixed benches in the dishwashing area, providing the user with greater flexibility when scrubbing plates and larger pots before washing them in the heavy-duty dishwasher.

- in feed trolley with input direction from right to left
- the same height level between the trolley and the dishwasher makes the heavy lifting of wash items and basket minimized
- Easy to connect the loading table to the dishwasher thanks to a stainless steel guide rail
- A robust stainless steel construction with lockable wheels
- Flexible drain solution
