

## Water dispenser tap Metos Falco 2

Metos Falco 2 is a two-ways rounded water dispensing tower tap with an elegant chrome-plated brass body. The two taps are suitable for sparkling water, room temperature water and cold water. Height from table to tap outlet is 362 mm and 450 mm to handle.

The cut out size is Ø5 cm, table thickness <10 cm. Correct flow on the faucets is one liter in 20 seconds for soda, and full flow for still water. Water filter is strongly recommended.

The delivery includes the tap. The drop-in tray, water filter cartridge, cooling machine and the CO<sub>2</sub>-gas needs to be purchased separately.
