

Dishwasher Metos Master Aqua 50T PS 230V1N~ (with drain pump)

Reliable Metos Master Aqua 50T PS is a basic under-counter dishwasher designed for using in professional kitchens. It is easy to build around the dishwasher a dishwashing system for a small operation by using compatible tables, trolleys and other fixtures.

The dishwasher is equipped with a drain pump, in which case the wash water can be discharged into the washing counter sink. Comes with cable, Plug not included.

A detergent dispenser dispenses the detergent for you and keeps the measure of the detergent always constant. Detergent dispenser for a liquid detergent is available as an option.

- four wash programs (1, 1,5, 2 and 3 minutes)
- max height for dishes 320 mm
- display signal for correct temperature in tank and in final rinse
- sound and heat insulated top and door
- easy to remove wash and rinse arms
- rounded edges in the tank facilitate cleaning
- water consumption 2,3 l/cycle (water pressure 200kPa)
- rack size 500x500 mm
- boiler capacity 5,7 l
- tank volume 29 l
- touch control panel on top part of the front panel
- Soft start

Delivery includes:

- rinse aid dispenser
- basket for plates
- basket for glasses
- cutlery cylinder
- connection hose for tap water
- drain pump

Optional (to be ordered separately):

- stand
- detergent dispenser
- pressure boosting pump (to be ordered together with the dishwasher)

- extra racks

- pre-wash tables and basket trolleys

Dishwasher Metos Master Aqua 50T PS 230V1N~ (with drain pump)

Product capacity	about 30 racks/hour
