

# Dishwasher Metos Master Aqua80T 400V3N~

Ergonomic, free-standing Metos Master Aqua 80T dishwasher is designed for demanding use in professional kitchens and restaurants. Thanks to its efficient pump and tall washing cabinet, it is able to clean dishes of all sizes without difficulty.

Detergent dispenser for a liquid detergent is available as an option.

Dishwasher with a drain pump Metos Master Aqua 80T PS, code 4246050, can be ordered in cases where the dishwasher cannot be connected to a floor drain. Now the wash water can be discharged into the washing counter sink.

- four wash programs
- plates max. Ø380 mm, max. glass height 355 mm
- display shows temperatures in tank and boiler, wash cycle status and system failure warnings
