

# Dishwasher Metos Master Aqua 50T reduced power 230V1N~

Reliable Metos Master Aqua 50 T reduced power 230V is a basic under- counter dishwasher designed for using in professional kitchens. It is easy to build around the dishwasher a dishwashing system for a small operation by using compatible tables, trolleys and other fixtures.

Dishwasher with a drain pump Metos Master Aqua 50T PS 230V, can be ordered in cases where the dishwasher cannot be connected to a floor drain. Now the wash water can be discharged into the washing counter sink.

A detergent dispenser dispenses the detergent for you and keeps the measure of the detergent always constant. Detergent dispenser for a liquid detergent is available as an option.

- four wash programs (1, 1,5, 2 and 3 minutes)
- max height for dishes 320 mm
- light signal for correct temperature in tank and in final rinse
- sound and heat insulated top and door
- easy to remove wash and rinse arms
- rounded edges in the tank facilitate cleaning
- water consumption 2,3 l/cycle (water pressure 200kPa)
- rack size 500x500 mm
- boiler capacity 5,7 l
- tank volume 29 l
- touch control panel on top part of the front panel
- Soft start

Delivery includes:

- rinse aid dispenser
- basket for plates
- basket for glasses
