

Hand mixer Metos SMX 600 Turbo

Metos SMX 600 Turbo mixer can blend 75-300 litres of product at a time, depending on the ingredients to be blended. Thanks to the powerful 11000 rpm speed and pulse function the mass will be smooth in an instant. The continuous operation function and the pulse function as well as the optional mixer support for attaching to the stockpot will ensure an easy blending.

Total length of this handy mixer is 800 mm, the length of the shaft is 530 mm and total weight is 6.1 kg. The device has a big handle, that provides a firm grip and makes it easy to keep the device in the desired position. Stainless steel motor frame and mixing shaft, hard titanium-plated blade.
