

Coffee machine Metos OptiBean X21 with black panel

Metos OptiBean X21 black with the precision in the taste has an X-press brewer, with variable tamping pressure and a recommended daily output: up to 250 beverages. The cup tray is adjustable between 60-115 mm, with maximum height of the tap at 170 mm.

A strong espresso, the perfect cappuccino, a delicious lungo – whatever you prefer to drink; true flavour is in the smallest details. Double outlet for the real espresso experience and a separate hot water tap. The brewing time for a 120 ml cup is 25-30 seconds.

Easy to use support on the swipe 7" touch screen with intuitive user- interface. Black colored front and side panels. Ceramic grinding mechanism (Ditting®) for ultra long-life (±150.000 cups) TWO in ONE; espresso and fresh brew coffee with the help of the variable tamping pressure, 7 levels to choose from.
