

Hand mixer Metos Junior DMX, detachable

Hand mixer Metos Junior DMX 225 with its detachable shaft is a light and powerful tool for blending.

Hand mixer Metos Junior MX 225 can blend 5-25 litres of product at a time, depending on the ingredients. Thanks to the powerful 3000-12000 rpm continuously variable speed the mass will be smooth in an instant. An optional whisk or blender will make this mixer a handy and flexible tool.

Total length of this handy mixer is 505 mm, the length of the shaft is 225 mm and total weight is 1.9 kg. The handle provides a firm grip and makes it easy to keep the device in the desired position. The motor frame is made of impact resistant plastic and the shaft is stainless steel with a titanium-plated blade.

This mixer is easy to clean thanks to the detachable mixing shaft.
