

Eikon High Speed Ovens Metos by Merrychef

True versatility in small size

Metos by Merrychef eikon e1s

Develop your menu

Metos by Merrychef eikon® e1s is one of the most compact high speed ovens on the market, designed for small businesses looking to add a hot food option to their operation or improve throughput.

A single counter-top appliance, styled for front-of-house and programmed to produce high quality results for every order, with a simple touch of an icon.

Ideal to rapidly cook, toast and bake a wide choice of dishes from both fresh and frozen foods. Be it sandwiches, pastries, pizzas, vegetables, fish or meat – the new eikon e1s is the perfect way to cook, toast, grill, bake and regenerate a huge range of fresh or frozen foods.

High speed operation and even browning enable you to cater for more customers per service with fresh, hot food. The result is greater customer satisfaction and a better return on investment.

Omelette

High speed oven combining functionality, speed and performance

HIGH SPEED

Reduces waiting time, by cooking up to 10x faster than a conventional oven.

VERSATILE

Saves space; just one piece of equipment to cook a wide variety of food.

EFFICIENT

Excellent return on investment with low power consumption; only uses less than 0.7 kWh on standby. Saves money when not in use.

PRECISION TECHNOLOGY

The finely tuned combination of three heating technologies: convection (2200W), tuned impingement and microwave (800W) makes the heat level consistent

PRESS & GO

Metos by Merrychef eikon® e1s arrives pre-programmed with menus ranging from paninis and French Fries to pies.

QUIET

Operates quietly; 52dBA on standby

EASY TO INSTALL

No installation costs, simply plug and play via a single phase plug. No extraction hood needed.
